### **Activities Safety**

There are many benefits to participation in outdoor activity. There are also risks associated with it. It is obviously in our interest and those of participants to reduce the risks of participating in activities whilst preserving the purpose, enjoyment and benefits of the activity.

Activities in the outdoors may on occasion result in minor injury, or in rare cases more serious injury and participation in them implies an acceptance of that risk. Our normal procedures are captured within our Safety Management System.

This Safety Management System (SMS) covers all our activity risk assessments and is part of a wider system which covers all of the sites which Scripture Union Scotland operate from, to ensure consistency of approach that is in line with current best practice.

The centre holds an Adventure Activities Licence Authority (AALA) licence. The licence number is L10549/R2065. The licence refers to licensable activities conducted onsite or offsite by our staff. Where licensable activities are provided by external providers, activities will be conducted under the remit of their own licence. For further information please see the Licensing Authority's website [www.aala.org.uk](http://www.aala.org.uk)

Date licence expires: 14<sup>th</sup> December 2025

### **Staff Competence and Qualifications**

All staff will either hold a relevant National Governing Body (NGB) qualification, or a statement of competence signed by an appropriately experienced and qualified person consistent with the requirements of the Licensing Regulations. Copies will be available for inspection on site. For activities not requiring NGB qualifications, staff are trained and assessed in house and thereafter monitored.

## **Safeguarding**

Our policy and vetting procedures are consistent with current good practice in this area and meet current statutory requirements. All staff who work at the centre are required to obtain membership of the Protecting Vulnerable Groups Scheme as per government recommendations. Contractors, deliverers etc are supervised by Scripture Union staff.

(For further advice refer to [www.disclosurescotland.co.uk](http://www.disclosurescotland.co.uk)).

Throughout your visit a member of staff will be On Site and On Call 24 hours a day, should any problems or emergencies arise. They have access to further resources if this proves necessary.

## **Other Risk Assessment**
